To the President Kadur District Board — August 1915

F. No. 707 6.9.15

Dear Sir

The undersigned who are interested in the Handy — Bruckull Road note with regret that the Govt of H. M. in order No 450 - L B 227 - 14 - 2 dated 19th July 1915 have refused to maintain the above Road out of District Funds, being unaware of the public utility thereof, and therefore we beg to bring the following facts to your notice. This Road - which is 6 miles in length is the only outlet for some 9 coffee estates, it is the only connection between Gundhally and Mudigere, and Gundhally and Aldur, - Bahlhonur, during the monsoon, as the old Belur to Mudigere Road has three unbridged Rivers, which are quite unfordable during the monsoon months. The Handy - Bruckull Road crosses no rivers and is tunnelled throughout.

This Road has been very thoroughly made by the Proprietors of Bruckull, Handy - Kelgannie estates, and now that it is extensively used by the Public and is the outlet for nine estates, the undersigned consider that in future the Road should be maintained from District Funds

Reg Post 6.9.15 L.F.

The District Board in 1910 Resolved "That the Road may be taken over for maintenance @ 40 Rs pa mile, on condition that certain defects be improved and an additional number of culverts built". This work has been done at an expense of several hundreds of rupees, and the Road thrown open to the Public use as desired, relying on the District Boards Resolution

being put after next Meeting
